PETITION UNDER 37 C.F.R. § 1.181

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

January 3, 2005

Sir:

The Honorable Commissioner is respectfully requested to substitute the drawings of the present application with those of application Serial No. 10/671,507 and to substitute the drawings of Serial Number 10/671,507 with those filed in the present application for the following reasons:

An Office Action was received from the Examiner in application Serial No. 10/671,507 wherein it was indicated that the drawings were objected to because the sheets of formal drawings filed with the application do not correspond to the specification, claims and

Abstract or foreign priority document drawings of that application. The Examiner noted that the application was inadvertently filed with incorrect drawings.

Upon investigating the situation it was determined that application Serial No. 10/671,507 was filed on the same day, i.e., September 29, 2003, as the present application Serial No. 10/671,563 and for reasons not explainable, the drawings in both applications became separated from their respective specifications in the USPTO or otherwise and then recombined with the incorrect specifications.

Since both applications were filed on the same day by the same inventor and since the error is an obvious inadvertency, the Commissioner of Patents is respectfully requested to switch the drawings in the respective applications, thereby resolving the issue currently raised by the Examiner in the Office Action letter of Application Serial No. 10/671,507.

Accordingly, in the interest of Justice, the Director and/or Commissioner of Patents is respectfully requested to Grant the present Petition in the present application Serial No. 10/671,563.

The drawings which correspond to the specification of the present application are attached hereto.

The Petition Fee in the amount of \$400 is enclosed. However, if no fee is found or is an insufficient amount please charge Deposit Account No. 02-2448.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any fees required under 37 CFR 1.16 or 1.17.

Respectfully submitted,
